Description

Handmade boxwood ribs for elegant shaping and refining on the wheel

Versatile shape

This 29cm long boxwood rib (PR0201) features a long straight edge and a long slightly tapered edge, providing versatility to the potter. Our boxwood ribs come in a variety of other shapes and sizes, enabling you to pick the best ones for your projects.

Quality handmade

These ribs are handmade from fine boxwood and polished for extra refinement. The sides are polished smooth and the edges on this long rib are squared, giving you support when using to throw and shape larger vessels on the wheel. This rib feels comfortable and sturdy, giving you a feeling of comfort and control when using as a throwing tool.

An essential tool for every potter

Our boxwood ribs come in a variety of shapes, giving you the most versatility for shaping the curves and degoe of your pottery projects whether they are large or small. This particular long boxwood rib is useful for working with larger amounts of clay - on the wheel you can use it to create a long, tall and straight profile for a cylinder, or push or ty your cay to form a wide, tapered bowl. It's also used as padde to shape and smooth hand built pieces.
